TIGERS WILL BATTLE EACH OTHER HERE

A highly successful Spring football practice will come to a close tonight at 7:00 in Elba High School stadium as the Blacks and Golds take the field in their annual intra-squad game.

The teams promise to be evenly matched, due to the 13-13 tie to which they fought last Friday afternoon. The same squads, with the Blacks being composed of next year's seniors and freshmen and the Golds made up of the Sophs and Juniors, will play.

The Blacks, coached by Coach Bill Strickland, are as follows: Gary Hudson, fullback; Jimmy Sanders, quarterback; Elmer Thibault, halfback; Robert Russell, tackle; George Kins, end; Bobby Imman, end; Wayne Taylor, guard; Wayne Bryan, guard; Lamar Parker, halfback; Robert Parker, center; Lamar Kelley, tackle; Jackie Ennis, guard; Claude Deyne, halfback; Joe Spurlin, end; Jimmy Ennor, halfback; Sammy Edmondson, end; Terry Carney, end.

The Golds will be coached by Coach Dean Akin. They are: Charles Pearce, center; Jerry Kilecase, guard; Bert Cassey, guard; Harold Cain, tackle; Rudolph Pree, halfback; Max Davis, center; Steve Dewberry, halfback; Tond Hudson, quarterback; Bob Norman, halfback; Fred Smith, halfback; Johnny Vaughan, fullback; Bob Duran, center; Mickey Holley, halfback; Dornie Flowers, fullback; Max Layton, quarterback; Larry Sanders, tackle; Joe Ennis, guard; Jerry Morrow, tackle; Marion Holloway, end; Charles Rogers, guard; and Tommy Davis, end.

The first of two intra-squad games during Spring practice ended in a 13-13 tie Friday afternoon as the Blacks and Golds thrilled spectators until the final whistle.

Shows Promise
The Tigers, both brands, showed the crowd a hard hitting type of football that promises better things to come next season. Both Blacks and Golds were stingy with their offensive play, leading rooters to believe that it will be difficult to gain yardage in the future over the beefy Bengal forward wall.

"The Golds started things off with a bang by scoring quickly in the first quarter and showing the Blacks that they were unopposed. Things went from bad to worse as the Blacks, as they played the greater part of the first half in their own back yard and had to fight desperately to ward off a final thrust just before the half as the Golds made another big drive just falling short of the TD mark. Rudolph Pree scored the first TD, but a pass to Harold Hudson for the PAT fell short as the halftime stood at 6-0.

The third quarter was in favor of the Golds as Dornie Flowers made their second TD leaving the score at 12-0. The PAT was also good.

Score On Pass
The Blacks, trailing by 13 points used the accurate arm of Slimmy Jimmy Sanders to score their first TD, but losing the extra point, with the score at 13-6. Then the Blacks stepped up the pace, shaking the ball loose from Max Layton, Gold QB, and marched straight for another touchdown, with Twitely going over from 4 yards out. The "do-or-die" point was good as it tied up the score.

Tonight's game will start at 7 p.m. with local quarters club members officiating. A small admission will be charged to defray the expense of lights.

Law Prohibits Sale Of Live Novelities
Attention has been called to the fact that the last session of the Alabama Legislature adopted a law against the sale or giveaway of baby chicks, baby ducks and baby rabbits as pets or novelties.

Mrs. David W. Crosland, president, Alabama Federation of Humane Societies, Montgomery, said: "A few children had been disappointed, but it can hardly be argued that the law which outlaws commercialized cruelty to animals is a deprivation of good, clean fun."

DORSEY TO BILOXI
T. K. Dorsey, Dorsey Trailers, Elba, and Allied Industry Vice President of the Alabama Trucking Association, will play a prominent role in the Annual Convention of the Association at Biloxi, Miss., April 7-8. The convention will be held at Hotel Buena Vista.

CHARLIE V. DUBOSE
Charlie V. Dubose, 58, of Glenwood, died Tuesday, March 22, in a Montgomery hospital. He is survived by the widow, Mrs. Irene Dubose; one daughter, Mrs. Bettie Powell, of Anniston; his mother, Mrs. Maggie M. Dubose of Brantley; one brother, Homer Dubose of Lake City, Fla.; three sisters, Mrs. Jim Sasser and Mrs. Cecil H. Sasser, both of Brantley; and Mrs. H. D. Kennedy of Montgomery. There were two grandchildren.

Funeral services were held from the Glenwood Baptist church with the Rev. Ray Foreman and the Rev. Charles Johnson officiating. Burial was in Providence cemetery.

Repairs Planned To Court House

Craziest March Weather On Record

The craziest March weather anyone can remember.

That sums up the weather in Elba in March, this year, with four different days, rain, rainy days including one down pour, while one part of the county had a hailstorm with hail stones more than a quarter inch thick.

The temperature fell to 29 March 4, and again March 5, 28 March 6, 30 March 3, 29 March 14 and 32 again March 21. Four different days, rain, rainy days including one down pour, while one part of the county had a hailstorm with hail stones more than a quarter inch thick.

The dilapidated appearance of the court house has received comments in successive Grand Jury reports, so the commissioners agreed Monday to make a complete renovation of the entire building instead of piece-meal repairs.

By unanimous vote on a motion by Commissioner Bowen and seconded by Commissioner Tindol, the board directed County Engineer Leslie Mullins to submit at the next meeting a complete set of plans to make the old building like new, after which bids will be asked from contractors for the work.

Present were Commissioners Brown, Tindol, Bowden and Whitman.

The board, by unanimous vote, asked the Pike county board to place on its list of road improvements the road from the Coffee-Pike county line running in a northwesterly direction to intersect the Henderson-Glenwood road, a distance of about four miles to tie in with improvements to the same road on the Coffee county side.

CORN CHAMP GETS 76 BUSHELS FROM ONE ACRE
Jimmy White, president of the Elba FFA, was presented a certificate and medal at the Southern States FFA Contest in Brundidge Saturday as the champion corn grower of Coffee county.

Presentations were by L. L. Sellers, district supervisor of vocational agriculture. For the past two years Jimmy has been the chapter champion corn grower with a production of 76 bushels of corn per acre. The best acre of a five-acre plot planted the last two years.

Third Year Student
Jimmy is the son of Mr. and Mrs. F. T. White of the White-water community. He is a Senior in Elba High, and is a third year Vocational Agriculture student.

The Elba FFA Livestock Judging Team, composed of Jimmy White, Jimmy Holley and Harold Hudson, took part in the meet at Brundidge along with the Dairy Judging team composed of Buddy Wise, Willard Crocker, and Gerald Henderson.

Goodwin Is Host
All members of the Elba FFA Chapter attended the meet in Brundidge where more than 700 FFA members, with Mrs. Goodwin, owner of Bob's Feeds and Winwood Farms, was host at the noon barbecue.

The day-long event started at the Brundidge National Guard Army and Winwood Farms with contests ranging from tractor driving and Mottok judging to public speaking and quartet singing.

Law Prohibits Sale Of Live Novelities
Attention has been called to the fact that the last session of the Alabama Legislature adopted a law against the sale or giveaway of baby chicks, baby ducks and baby rabbits as pets or novelties.

CENSUS FORM DISTRIBUTED TO EACH HOME

Advance Report Forms for the 1960 Census of Population and Housing will be distributed by the Post Office this week to all households in this area. District Supervisor James L. Tindell announced today.

The advance Report Form is a new census taking device which is designed to speed up field canvasses and provide more accurate statistics. Distribution of this form before the start of the house-to-house canvass gives the family a chance to assemble information about each member in advance of the census taker's visit.

The district supervisor urges all residents to fill out the forms and have them ready for the census taker when they start their rounds on April 1. They are not to be mailed.

At every fourth household, the census taker will seek the answers to additional questions including population and housing characteristics which are being asked of a 25 percent sample of the nation's population. The sample population questions include inquiries on country of birth, schooling, employment, income, and race.

The district supervisor pointed out that information about individuals and their homes furnished to the Census Bureau is kept confidential under Federal law. Only statistical totals and averages are published. No individual person can be identified in published reports and census information cannot be used for registration, investigation, or taxation.

INFLATION IS NOT ALONE A U. S. PROBLEM
The United States and its dollars is not the only nation in the world lagged by inflation.

During the last twenty years the depreciation of national currencies as the result of inflation has slashed the dollar value of foreign money up to as much as 90 per cent and in some cases, erased it altogether.

Pick's World Currency Report, which closely watches the world's money markets, lists the change in dollar value of currencies between January 1, 1940 and June 30, 1959.

According to Pick's, the currency of Bulgaria, China, Burma, Greece, Hungary, Hong Kong, Korea, Malaya, Rumania, Poland, Yugoslavia and Free China lost 90 or more per cent of their 1940 value. These currencies were completely wiped out and have since been replaced.

National monetary units which lost from 91.2 to 99.7 per cent of their value included those of Japan, Russia, Austria, Italy, Chile, Argentina, Turkey, France and Spain.

Decline 25 to 48 percent
The currencies of Belgium, Norway, Australia, Great Britain and Denmark were more fortunate, the erosion ranging between 37 and 48 per cent depreciation.

Unchanged in dollar value, were the monetary units of a few nations, mostly those that have a closer economic and financial tie-in with the United States. Included Panama, Venezuela, Haiti, Honduras, Guatemala, El Salvador, the Dominican Republic and Liberia.

Canada's Healthy Money actually showed a substantial gain in value, an increase of 5 per cent.

The United States dollars has suffered as much or more than most, losing more than 52 per cent of its 1940 purchasing power.

Nothing is so good as it seems beforehand.

1 Dead, 3 Hurt As Cars Crash In Fog

How To Interfere With Firemen At A Fire

If you want to obstruct firemen in their efforts to save a home or other building, here's how:

(1) As soon as you hear the fire siren, call the fire station and start to chat with whomever answers the phone about where the fire is; this delays notifying firemen about where to go;

(2) Drive your car to the scene and park as close to the fire as possible, better still, get there first so the fire truck won't have room to park;

(3) Rush into the building and start carrying out furniture, tables, cabinets; break them up;

(4) Get a club and knock out window panes and break down doors.

Information
In fact each of the above offenses was committed recently when fire struck the home of a poor negro woman Mulberry Heights. Although she had insurance, she can't collect a penny for damage to a refrigerator rolled out of the house, or from broken window panes, because none of these were due to the fire.

Therefore, Fire Chief Bob Folom has asked NOT to do either of the above. In fact, he asked, if you're not a fireman, wait until the firemen ask you to help.

BAPTIST WMU MEET TO BE HELD APRIL 7
The Mount Pleasant Baptist Church will be hostess to the Woman's Missionary Union Quarterly meeting which convenes at 8:30 a.m. Thursday, April 7.

The theme will be "Teach to Guide," Miss Kathleen Lewis, state G.A. Director, will bring a missionary message on "Teach to Guide Our Youth in Missionary Education" at 12:15 p.m. The meeting will adjourn at 12:45 p.m. and lunch will be served.

Conferences will be conducted by directors and chairmen. A skill under the supervision of Mrs. James W. Eddy, Sunbeam Band Director, will be presented. Highlights of the Woman's Missionary Union Convention will be given by Mrs. B. H. Redmon.

The evening session will be at Westside in Elba beginning at 7 p.m. Mrs. Joe Jacobs will preside.

THE ENEMIES WITHIN

A paragraph in The Montgomery Advertiser Saturday, March 26, well illustrates a point The Elba Clipper made two days earlier about attempting to change U. S. immigration laws by appealing to American sympathies.

The Advertiser said: "Another phase of the President's proposal is sounder, providing for the annual admission of up to 19,000 refugees from political persecution. Such persons are not merely seeking the better creature comforts of America, but are fleeing oftentimes for their lives."

Did it ever occur to The Advertiser that simply because they are political refugees does not, in any way, mean they believe in the American way of life?

The Nazis and Communists were bitter enemies but both were equally at variance with the American way of life.

Therefore, simply because millions of Rumanians or Hungarians are smarting under the Communist yoke, does not mean that they would react favorably to freedom as practiced for hundreds of years by the English speaking peoples.

Communist Russia is our enemy but there are other enemies far more insidious who would destroy the American way of life while preserving the American government.

When using home remedies or patent medicines it is important to understand their benefits and limitations. Taken at the first sign of a headache, stomachache, distress, muscular pain, etc., relief sometimes comes quickly from an uncomplicated condition. But, if any of the symptoms return, then self-treatments though giving temporary relief, may be masking an accumulating problem that may eventually endanger your very life. To cure, a physician's diagnosis of the cause is essential. One should be consulted as soon as possible.

Early Monday morning I saw some of the best Durocs pigs I have seen in a long time. M. B. Tidwell and I visited Mrs. Mary E. Balcom, Rt. 1, Enterprise, to make some pictures of her litters of pigs. Mrs. Balcom has been reaching for the best in Durocs for several years. I think she has arrived at her goal. She has several litters of pigs about ready to be weaned from one of the top boars in the Southeast.

Four-H club members and farmers who want to get some top bred stock ought to go see Mrs. Balcom. She lives on the Enterprise - Bellwood Road about 7 miles South of Enterprise.

Safety
About two weeks ago, I was driving along the highway on the outskirts of Montgomery and saw one of the worst tractor wrecks I've seen. I understand a twelve year old boy was driving the tractor at the time of the accident. Every year we have one or two fatal tractor accidents in the Wiregrass and these accidents happen in the field as well as on the highway.

To issue and deliver to the United States of America its note in the principal amount of \$483,000.00 to finance the construction and operation of additional electric transmission lines or systems in rural areas in any one or more of the counties of Barbour, Ballock, Butler, Coffee, Covington, Crenshaw, Dale, Montgomery and Pike, all in the State of Alabama.

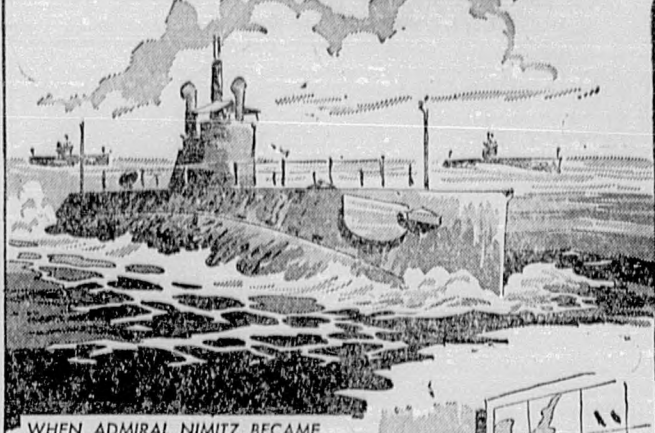

Any person having an interest in the matter may attend the hearing and be heard on the question as to whether the issuance of said note for the purposes above stated serves a public need and is in the public interest.

Gardens
Folks who study the value of a garden say that a one-half acre garden can be worth \$300 or more to the average family. Some 200 4-H club boys and girls in the county have garden projects this year. I hope these boys and girls will really go all out to try to have a good garden. Aside from the fact that the grocery bill can be lowered. Of course, our stores and super markets are filled with plenty of good vegetables. But to save money and to have the freshest vegetables possible, you just can't beat a home garden.

Easter Program Is Presented By Music Club

The Elba Music Lovers Club held its regular monthly meeting Thursday, March 24 at the home of Mrs. Stanley Prior with Mrs. George L. Collier and Mrs. Neal Hutto as co-hostesses.

Miss Martha Bowers Entertains With Birthday Party

Miss Martha Bowers was hostess to a few friends at her home on Saturday evening, March 19. The party was given in celebration of the hostess' birthday.

A lovely arrangement of pink gladioli and carnations, interspersed with musical notes made of wire, covered with pink ribbon, adorned the dining table.

Mrs. J. D. Whitman, president, called the meeting to order and asked the club to dedicate the Club. After a brief business session and reading of the February minutes, the following Easter program was presented:

"I Know That My Redeemer Liveth" from the Messiah by Handel was sung by Mrs. Thorne Lane, soprano, accompanied by Mrs. Edwin Cooper; "Christ The Lord Is Risen Today" (traditional) and "Were You There When They Crucified My Lord" (negro spiritual) arranged for the organ were played by Mrs. Stanley Prior.

The "Holy City" by Adams was sung by Mrs. Edwin Cooper, soprano, accompanied by Mrs. George L. Collier. After the program, a delicious dessert plate with coffee was served by the hostesses to the following: Mrs. W. C. Braswell, Mrs. Ben Brock, Mrs. Fox Brunsom, Mrs. S. J. Casey, Miss Nancy Cowart, Mrs. Edwin Cooper, Mrs. George Collier, Mrs. Claude Fleming, Mrs. George Ford, Mrs. Thorne Lane, Mrs. Lamar Rainer, Mrs. Prior Rino, Mrs. Murray Seay, Mrs. Ross Smith, Mrs. Bryan Taylor, Mrs. E. M. Watt, Mrs. J. D. Whitman, Mrs. Clark Williams and the hostesses.

Hawaiian Luau Is Party Theme For Cheryl Clark

What fun it must have been for the lucky teenagers who attended Cheryl Clark's party March 8. The party, a Hawaiian Luau, was held to celebrate her 14th birthday.

As the guests drove to the Clark residence they began to feel the Hawaiian atmosphere. Japanese lanterns and torches lit the driveway giving one the feeling of a tropical paradise.

Each guest had a flower lei placed around his neck by charming little Patricia, who was dressed in a Japanese kimono. The feeling of being in a tropical paradise was complete as the guest entered the party room.

Soft Hawaiian music filled the air. One wall of the room was covered with a profusion of lovely callamias and mamolia leaves.

Another wall with a beach scene complete with ship, waves, sand and sea shells, so realistic the guests must have been to keep from rushing into the water to take a dip. The artist's taste seemed to be showing in the breeze.

Refreshments were served Hawaiian style, with the guests sitting on the floor. The low table was covered with a grass matting cloth, and was a vision of delight loaded down with fresh fruit and lovely callamias. Kerosene lights and candles were placed to give the effect of a moonlight party on the Beach of Waikiki.

The young hostess was a vision of delight in her lavender flowered sarong, and hung around her neck was a lovely lavender pom pom lei.

A luau contest was held and won by Brian Thomas and Brian Tynan.

The Mission Study "Reaching Rural Churches" was taught by Mrs. Catherine Spurlin. Members attending this meeting were: Madeline Carlie Jacobs, Mary Carnley, Myrienne Carpenter, Catherine Spurlin, Mary Dowling, Corinne English, Ola Kendrick, Beulah Bullard, Lillie Whitman, Quinzie Whitman, Misses Dorothy Davis, Edwin Bozome, June Ray Jones, and the hostesses.

Mrs. George Hocutt Entertains For Whitman Circle

The Lillie Whitman Circle of the Baptist W.M.U. met Monday evening in the home of Mrs. Billy Ooss, Circle Chairman, and Mrs. George Hocutt presided.

Mrs. Willard Martin, secretary, called the roll and read the minutes. Mrs. James Clark gave the devotion which was followed by a mission study lesson taught by Mrs. John McClellan.

The hostess served refreshments to three visitors: Mrs. Robert Mason, Mrs. Paul Morrow, and Mrs. Minnie Harris and the following members: Mrs. John Bruce, Mrs. Willard Martin, Mrs. George Ford, Mrs. James Clark, Mrs. J. Doug Kendrick, Mrs. John McClellan, Mrs. Elie Brunsom and Mrs. George Hocutt.

New Record Set In 1959 By Alabama Electric Co-op.

Reports presented to the Board of Trustees of the Alabama Electric Cooperative at its annual meeting in Andalusia Friday, March 21, revealed that new records were set in power sales and revenue, power production, loan repayments, taxes paid, and in many other fields during 1959.

During the meeting, Trustees selected officers to serve during the coming year, reviewed which is to be distributed to the public, and heard progress reports on a \$5.7 million construction and improvement program.

Mary A. McWilliams, Prattville druggist and farmer who has served as President of Alabama Electric since it began operations in late 1948, was named to the top position on the Board. John C. Ingram, Ashford, was re-elected Secretary Treasurer, and W. D. Folmar, Goshen, was elected Vice President. Basil Thompson, Andalusia, is General Manager.

Folmar Replaces Green. Folmar, Goshen farmer who is President of the South Alabama Electric Cooperative, of Troy, replaces J. L. B. Green, of LeFayette, who resigned from the Board of Trustees last year.

McWilliams, in his annual report to the Trustees, stated that 1959 power sales totaled 249,084,836 KWH, an increase of 9.66 per cent over 1958 sales, and a new record.

A new record peak demand of 60,140 Kilowatts was established on the system of Alabama Electric, which provides electric power at wholesale to six REA cooperative, South Alabama Electric, Troy; Covington Electric, Andalusia; Wiregrass Electric, Hartford; Southern Pine Electric, Brewton; Pea River Electric, Ozark; and Choctawhatchee Electric, at DeFuniak Springs, Fla.

Municipalities served by Alabama Electric are Andalusia, Troy, Opp, Elba, Luverne and Brundidge. Industries served direct at the Opp and Nicholas Cotton Mills, at Opp.

improvement program. Thompson stated that the \$4.5 million project to more than double the size of Alabama Electric's McWilliams Power Plant was completed last year, and that a new unit at the plant is now in full operation.

Other new facilities completed and placed in operation during 1959 included 43.6 miles of 115,000 volt transmission lines and 26.1 miles of 46,000 volt lines, and four new power substations. Capacity at three substations was increased, and power production for 1959 increased by more than 17,000,000 KWH over that of 1958, Thompson said.

Thompson called attention to the industrial development occurring in the area now served by Alabama Electric during 1959. He stated that new industries were announced for six municipalities, and expansion plans for existing industries in seven municipalities were revealed during 1959.

Alabama Electric's employment figure averaged 130 persons, and the 1959 payroll was in excess of \$590,000, Thompson stated.

Alabama Electric Cooperative provides electric power at wholesale to six REA cooperative, South Alabama Electric, Troy; Covington Electric, Andalusia; Wiregrass Electric, Hartford; Southern Pine Electric, Brewton; Pea River Electric, Ozark; and Choctawhatchee Electric, at DeFuniak Springs, Fla.

Municipalities served by Alabama Electric are Andalusia, Troy, Opp, Elba, Luverne and Brundidge. Industries served direct at the Opp and Nicholas Cotton Mills, at Opp.
